### HAPPY NEW YEARS!

On behalf of everyone at Custom Courier we would like to wish you and your families a very Happy New Years! Welcome to 2019!!

We are going green for 2019!! For the past 4 years we have been working very hard to upgrade our electronic billing and dispatch system. Our end goal is to become more environmentally friendly by reducing our usage of natural resources such as paper, water and power. Our new building boasts many new power saving measures and our electronic billing program has drastically reduced our use of paper products. Our next steps in our "Going Green Movement" will be the dis-continuation of our preprinted weigh bills. As of February 1st, 2019 our pre-printed weigh bills will no longer be available. Alternatively you can use our upgraded online dispatch program which will generate an "online" weigh bill which you can print. If you do not already have your username and password for our online services please call us at 306-653-8500 and we will set you up with one.

If you are interested in joining our growing community of businesses "going green" with our e-billing, please let us know so we can add your business payables email address to our database. We have made this process very simple. Please go to our website and fill out our "request for e-billing" - and hit the "send" button. We will receive your request, add your email to our database and send you back a confirmation notice. You will then start to receive your bi-monthly billing through your provided email address.

Simply go to: <http://www.customcourier.com/billing/request-for-e-billing.html>
