NOTE: - Weight Capacities listed above are estimates. Weight capacities are actually based on Government Regulations per axle & tire size of each unit. Thus, the weight of the product and how it is distributed over the entire deck will ultimately dictate the legal weight capacity. We reserve the right to scale each load to confirm that we remain within the legal weight capacity. We reserve the right to charge scale fees back to the customer.

-All trip costs (above) include (1) pickup and (1) delivery location. Should you require additional stops to be performed along route, please call us for a quote.

- **Rates do not include fuel surcharge or GST.**

- Additional charges of \$30.00/15 minutes will apply should excess time beyond 20 minutes be incurred due to customer requesting our operator for specific site placement.
